

ExCeL London - Exhibitor Parking Facilities

Due to ExCeL's expansions, all traffic marshalling (apart from large boat transporters) will now be carried out from Peruvian Wharf. During build up and breakdown, cars and vans under 1.8m can use the purple/orange car park, to bring up hand carry objects through the venue lifts and do not need to go to Peruvian Wharf.

Key

-  Multi-Story Car Park
-  Orange Car Park
-  Purple Car Park
-  F1 Car park
-  New Marshalling area Peruvian Wharf Report here first before approaching ExCeL to access lorryway
